**Board of Directors
Critical Success Factors**

1. Ensures that a strong financial foundation is established and preserved
2. Terms of office are defined and a clear officer succession process is in place
3. Effectively resolves conflicts within the governing board
4. Annually evaluates the performance of the Chief Staff Officer
5. Focused on mission, vision and goals
6. Establishes a strategic plan with annual goals
7. Approves all “public” positions prior to their release
8. Is effective in weighing pros and cons and makes well informed decisions
9. Envisions the future and insists that the strategic plan is based upon it
10. Is focused on desired outcomes, not process
